\*The Wellness Companion Program is limited to education for patients about their Janssen therapy, its administration, and/or their disease. It is intended to supplement a patient's understanding of their therapy. It does not provide medical advice, health coaching, or improved wellness as a result of engaging with the program, replace a treatment plan from the patient's doctor or nurse, provide case management services, or serve as a reason to prescribe.

## Communicating with Janssen CarePath is just a few clicks away

With a Provider Portal account, the Secure Messaging feature allows you to reach out directly to a Janssen CarePath Care Coordinator. You can ask a question, request a status update, or submit missing information related to an existing case.

It's as easy as 1, 2, 3!

**1** Select the **Messages** tab on Your **Patient Dashboard**.

**2** On the **Messages** page, click **Send Message**. A screen will pop up for you to create your message.

**3** Complete the fields on the **Send Message** screen.

Enter the **Product Name**.

If you know your Care Coordinator's **Extension**, enter it here. If not, select **No** and you will be prompted to enter your state.

Select your **Site Name**.

Add a **Subject Line** and **Compose Message**. Include the case number, patient ID, and other relevant details.

**Attach** any supporting documents.

Click **Send Message**.

**You'll receive confirmation when your message is sent. Your Care Coordinator will respond within 1-2 business days.**

**Need help? Call a Janssen CarePath Care Coordinator at 877-CarePath (877-227-3728), Monday–Friday, 8:00 AM to 8:00 PM ET.**
