TOOLS TO START THERAPY

XARELTO withMe Trial Offer
Free 30-day trial supply for eligible patients

Eligible patients receive a free 30-day trial supply of XARELTO[®] with a valid signed 30-day prescription for any XARELTO[®] dose other than 10-mg tablet or 1 mg/mL oral suspension. The XARELTO withMe Trial Offer can be used with the XARELTO[®] Starter Pack. The Trial Offer helps you and your patient determine if XARELTO[®] is right for them. At the conclusion of the program, you and your patient decide whether to continue treatment. Terms expire at the end of each calendar year and may change.

One (1) use is allowed per lifetime. This Trial Offer is open to patients who have commercial insurance, government coverage, or no insurance coverage; however, there is no guarantee of continuous accessibility after the program ends. Please see [program requirements](#).

If you have an Electronic Health Record (EHR) system, we have created a link to the XARELTO withMe Trial Offer. You can work with your IT department to have this link included in your EHR system so that you can automatically print and provide the XARELTO withMe Trial Offer card to your patients. Here is the link: [XARELTO withMe Trial Offer](#).

TOOLS TO HELP STAY ON THERAPY

XARELTO withMe Savings Card
Eligible commercial patients pay as little as \$10 per fill

There is a limit to savings per fill. Savings may apply to co-pay, co-insurance, or deductible. Patients may participate without sharing their income information. Your patient’s final out-of-pocket cost after the Savings Card is applied will depend on their insurance plan and pharmacy. Not valid for patients using Medicare, Medicaid, or other government-funded programs to pay for their medications. Patients prescribed XARELTO[®] 10 mg because of a recent non-surgical hospital discharge or because they have recently undergone hip or knee replacement surgery are not eligible. Enrolled patients will receive personalized refill notifications for their XARELTO[®] prescriptions based on information collected about them and can opt out of refill notifications at any time by calling 888-XARELTO (888-927-3586). Terms expire at the end of each calendar year and may change. See Savings Card Program Requirements at XARELTOwithMe.com/SavingsCard.

Patients can sign up at XARELTOwithMe.com or by calling 888-XARELTO (888-927-3586), Monday–Friday, 8:00 AM–8:00 PM ET.

Providers and Pharmacies can use the Express Enrollment site at JanssenCarePathPortal.com/express, which allows you to check eligibility and enroll patients in the XARELTO withMe Savings Card.

XARELTO withMe Coverage Gap Support

XARELTO withMe offers eligible patients cost support to address coverage gaps— with no income requirements.

If your patients fall into a coverage gap, such as the Medicare Part D coverage gap or commercial high deductibles, they could enroll in XARELTO withMe Coverage Gap Support and pay \$89 monthly for a 30-day supply or \$250 for a 90-day supply, plus sales tax if applicable, for XARELTO[®], if they qualify.

Why XARELTO withMe Coverage Gap Support?

- Helps eligible patients lower XARELTO[®] costs during a coverage gap
- Alerts patients when they enter a coverage gap
- Delivers the patient’s medication conveniently to their door
- Requires no fees or income information
- Automatically refills XARELTO[®] prescriptions that you authorize

To register, patients must have insurance covering a portion of the cost of XARELTO[®] and are being asked to pay more than \$89 monthly for XARELTO[®] through their insurance.

Terms expire at the end of each calendar year and may change. See Coverage Gap Support Program Requirements at XARELTOwithMe.com/CoverageGap.
