

**At Janssen, we know that it can be hard to stay on treatment when your out-of-pocket costs increase during a coverage gap (eg, commercial high deductibles or the Medicare Part D coverage gap, formerly known as the “Donut hole”). That’s why we’ve created Janssen Select.**

**Through Janssen Select you can:**

- Pay \$85, plus sales tax if applicable, for a 30-day (1-month) supply of XARELTO®.
- Or, beginning August 16, 2021 pay \$240 for a 90-day (3-month) supply of XARELTO® (\$80 per month), plus sales tax if applicable, if you and your doctor choose a 90-day supply.
- Have the same XARELTO® you’d expect delivered directly to your door by Wegmans pharmacy.
- Participate without paying a membership fee or sharing your income information. This program can even help people who may not have qualified for affordability support in the past.
- Register beginning April 1 and get refills until December 31, and you can discontinue anytime.
