My signature on this Patient Authorization Form confirms that I authorize each of my physicians, pharmacists, including any specialty pharmacy that receives my prescription for a Janssen medication, and other healthcare providers (together, "Healthcare Providers"), and each of my health insurers (together, "Insurers") to disclose my protected health information, including but not limited to information related to my medical condition and treatment, my health insurance coverage, my name, address, telephone number, insurance plan and/or group numbers (together, "Protected Health Information") to Johnson & Johnson Health Care Systems Inc., its affiliated companies, agents and representatives (together, "Janssen"), including providers of alternate sources of funding for prescription drug costs, and other approved service providers authorized to manage, administer, and/or support Janssen CarePath programs, Janssen CarePath Account for Patients, and Provider Portal for their Healthcare Providers for the purposes described below.

Specifically, I authorize Janssen to receive, use, and disclose my Protected Health Information in order to (i) enroll me in, determine my eligibility for, and contact me about, Janssen medication support programs; (ii) provide me with educational materials, information, and services related to my Janssen medication; (iii) verify, investigate, assist with, and coordinate my coverage for my Janssen medication with my Insurers; (iv) coordinate prescription fulfillment; (v) assist with analyses related to the quality, efficacy, and safety of my Janssen medication, and patient access to and adherence to my Janssen medication; (vi) to share and provide access to information generated by Janssen CarePath that may be useful for my care, and; (vii) to improve, develop, and evaluate Janssen CarePath, its offerings, and materials. I also understand that pharmacies that ship my medication may be paid to share this information with Janssen CarePath to help provide the offerings requested for me. Furthermore, I understand that my Protected Health Information will not be used or disclosed by Janssen for any other purpose without my prior authorization unless permitted by law or unless information that specifically identifies me is removed. I understand that Janssen will make every effort to keep my information private. Further, I understand that if my information is accidentally shared, federal privacy laws do not require that the person/party receiving it not disclose the information further and that such information provided to a third party may no longer be protected by federal privacy laws.

I understand that I am not required to sign this Patient Authorization Form. My choice about whether to sign will not change the way my Healthcare Providers or Insurers treat me. I further understand that cancellation or revocation will not affect Janssen's ability to use and disclose Protected Health Information that it has received prior to its receipt of my cancellation and revocation of participation in the program. My authorization will also end if Janssen CarePath support programs or the Janssen CarePath Account is discontinued. Furthermore, I understand that I have the right to see or copy the Protected Health Information my Healthcare Providers or Insurers have given to Janssen.
