

Your Janssen CarePath Account and How It Can Help You

Janssen CarePath provides resources that can help you get started and stay on track with the Janssen medication your doctor prescribed for you.

At your Janssen CarePath Account, you can:

- Learn about programs that may help you pay for your medication
- Enroll in the Janssen CarePath Savings Program, if eligible
 - Manage your Savings Program benefits
 - Submit Savings Program requests, if needed
- Find relevant resources

The screenshot shows the Janssen CarePath user interface. At the top, it says 'Welcome, Patrick!' and provides a 'Need Help?' link. A prominent blue banner offers to 'Check Your Insurance Coverage' and provides the phone number 877-CarePath (877-227-3728). Below this, there's a section for 'Enroll in the Savings Program' with a button and a link to 'Enroll in the Savings Program'. A 'Helpful Resources' section contains six cards: 'Need Help?' (with phone icon), 'Set Medication Reminders' (with clock icon), 'JanssenCarePath.com' (with globe icon), 'Starting Treatment' (with document icon), 'Affordability Options' (with pill icon), and 'Sign Up for Additional Information' (with envelope icon). A 'Load More' button is at the bottom.

Let's get started

*Independent co-pay assistance foundations have their own rules for eligibility. We have no control over these independent foundations and can only refer your patients to a foundation that supports their disease state. We do not endorse any particular foundation.

*The nurse program is limited to education for patients about their Janssen therapy, its administration, and/or their disease, and is not intended to provide medical advice, replace a treatment plan from the patient’s doctor or nurse, or provide case management services.

Information and resources regarding your insurance coverage, affordability options, and treatment support are provided to you by third-party service providers for Janssen CarePath, which is operated by Johnson & Johnson Health Care Systems Inc. on behalf of Janssen Pharmaceuticals, Inc., Janssen Biotech, Inc., and Janssen Products, LP (Janssen). Janssen CarePath is not available to patients participating in the Patient Assistance Program offered by Johnson & Johnson Patient Assistance Foundation. Janssen CarePath provides information to you regarding whether the treatment is covered by your insurance or third-party payer. This information and assistance is made available as a convenience to you, and there is no requirement that you or your HCP use any Janssen product in exchange. Benefit coverage and reimbursement status is affected by several factors and therefore may change, even over short periods of time. For this reason, the information provided to you may not be current or comprehensive. Janssen CarePath strongly recommends you consult your payer for the most current coverage and reimbursement information. All claims and other submissions to payers should be in compliance with all applicable requirements. While Janssen CarePath attempts to provide correct information, they assume no responsibility for and do not guarantee the quality, scope, or availability of the information and assistance provided.
