If you use commercial or private health insurance to pay for your Janssen medication

Eligible patients pay \$10 per dose*

*\$8,000 maximum program benefit per calendar year or 13 doses, whichever comes first, for INVEGA SUSTENNA®; \$8,000 maximum program benefit per calendar year or 4 doses, whichever comes first, for INVEGA TRINZA®. Not valid for patients using Medicare, Medicaid, or other government-funded programs to pay for their medications. Terms expire at the end of each calendar year and may change. There is no income requirement. Program does not cover the cost to give patients their injections. See full eligibility requirements at NS.JanssenCarePathSavings.com.

To determine eligibility or register for the Savings Program, visit NS.JanssenCarePathSavings.com or call 877-524-3579.

If you use a government-funded healthcare program such as Medicare for your Janssen medication

Janssen CarePath can provide information about other resources that may be able to help with your out-of-pocket medication costs:

- State-Sponsored Programs
- Medicare Savings Program
- Medicare Part D Extra Help—Low-Income Subsidy
- Independent Foundations*

*Independent co-pay assistance foundations have their own rules for eligibility. We have no control over these independent foundations and can only refer your patients to a foundation that supports their disease state. We do not endorse any particular foundation.

If you have no health insurance or no coverage for your Janssen medication

JanssenPrescriptionAssistance.com provides information on affordability programs that may be available. For a comprehensive list of affordability programs, visit JanssenPrescriptionAssistance.com.
