Savings Program

Am I eligible?

You may be eligible for the Janssen CarePath Savings Program if you currently use private or commercial health insurance to cover a portion of your medication costs for OLYSIO®.

Other requirements

- This offer may not be combined with any other coupon, discount, prescription savings card, free trial, or other offer.
- This program is only available to individuals using private or commercial health insurance to cover a portion of their medication costs, including plans available through state and federal healthcare exchanges. This program is not available to individuals who use any state or federal government-subsidized healthcare program to cover a portion of medication costs, such as Medicare, Medicaid, TRICARE, Department of Defense, or Veterans Administration. Patients confirm that they will not seek reimbursement from any of these programs or from pharmaceutical patient assistance foundations and accounts such as a Flexible Spending Account (FSA), Health Savings Account (HSA), or Health Reimbursement Account (HRA).
- The selling, purchasing, trading, or counterfeiting of this card is prohibited.
- Offer good only in the United States and Puerto Rico. Janssen Therapeutics, Division of Janssen Products, LP, reserves the right to rescind, revoke, or amend this offer without notice at any time. Void where prohibited, taxed, or otherwise restricted by law.
- Offer for new enrollment expires December 31, 2017. For Massachusetts residents only, this offer is subject to change per state legislation.
- Before you activate your card, it is important that you understand that you will be asked to provide personal information that may include your name, address, phone number, email address, and information related to your prescription medication insurance and treatment. This information is necessary to permit Janssen Therapeutics, Division of Janssen Products, LP, the maker of OLYSIO®, and companies that work with Janssen Therapeutics, Division of Janssen Products, LP, including our affiliates and our service providers, to fulfill your request to enroll in the Janssen CarePath Savings Program. We may also use the information you give us to learn more about the people who use OLYSIO®, and to improve the information we provide to people who are being treated with OLYSIO®. Janssen Therapeutics, Division of Janssen Products, LP, will not share your information with anyone else except as required by law.
- As a condition of participating in this program, you must ensure that you comply with any co-payment disclosure requirements of your insurance carrier or third-party payer, including disclosing to your insurer the amount of co-payment support you receive from this program.

Janssen CarePath is in no way an extension of medical treatment provided by healthcare professionals to individual patients. You may discontinue your participation at any time by calling 855-5-OLYSIO (855-565-9746).
