

Your Janssen CarePath Account and How It Can Help You

Janssen CarePath provides resources that can help you get started and stay on track with the Janssen medication your doctor prescribed for you.

At your Janssen CarePath Account, you can:

- Check your insurance coverage for your Janssen medication
- Learn about programs that may help you pay for your medication
- Enroll in the Janssen CarePath Savings Program, if eligible
 - Manage your Savings Program benefits
 - Submit Savings Program requests, if needed
- Find relevant resources

The screenshot shows the user's homepage with a navigation bar at the top containing links for 'Indication & Important Safety Information', 'Prescribing Information', 'Need Help?', and 'My Profile'. The main content area is titled 'Welcome, Patrick!' and includes a 'Call Janssen CarePath at 877-CarePath (877-227-3728)' button with a phone icon and operating hours: 'Monday - Friday 8 AM - 8 PM ET'. Below this, there are two main sections: 'Enroll in the Savings Program' and 'Check Your Insurance Coverage'. The 'Enroll in the Savings Program' section includes a sub-section for 'You have government insurance' and 'You have no insurance coverage', both with arrows pointing to further options. The 'Check Your Insurance Coverage' section has a 'Get Started' button. Below these are 'Helpful Resources' including 'Need Help?' (with phone icon), 'Set Medication Reminders' (with pill icon), 'JanssenCarePath.com' (with globe icon), 'Starting Treatment' (with document icon), 'Affordability Options' (with pill icon), and 'Sign Up for Additional Information' (with smartphone icon). A 'Load More' button is at the bottom.

Patient insurance benefits investigation is provided by contracted service providers for Janssen CarePath, which is operated by Johnson & Johnson Health Care Systems Inc., on behalf of Janssen Pharmaceuticals, Inc., Janssen Biotech, Inc., and Janssen Products, LP (Janssen). In this regard, Janssen CarePath assists healthcare providers in the determination of whether treatment could be covered by the applicable third-party payer based on coverage guidelines provided by the payer and patient information provided by the healthcare provider under appropriate authorization following the provider’s exclusive determination of medical necessity. This reimbursement support service has no independent value to providers apart from the product and is included within the cost of the product. While Janssen CarePath attempts to provide correct information, they make no representations or warranties, expressed or implied, as to the accuracy of the information. In no event shall Janssen CarePath, Janssen, or its employees or agents be liable for any damages resulting from or relating to the services. All providers and other users of this information agree that they accept responsibility for the use of this service. Importantly, insurance verification is the ultimate responsibility of the provider.

Third-party reimbursement is affected by many factors. The content provided is for informational purposes only and is not intended to provide reimbursement or legal advice and does not promise or guarantee coverage, levels of reimbursement, payment, or charge. Similarly, all codes are supplied for informational purposes only and represent no promise or guarantee that these codes will be appropriate or that reimbursement will be made. It is not intended to increase or maximize reimbursement by any payer. Laws, regulations, and policies concerning reimbursement are complex and are updated frequently. While we have made an effort to be current as of the issue date of this document, the information may not be as current or comprehensive when you view it. We strongly recommend that you consult with your payer organization for local or actual coverage and reimbursement.
