By providing your information and information about your patient on the front of the Benefit Investigation Form, you are requesting the services described on this form. The information you provide will only be used by Janssen Products, LP, our affiliates, and our service providers involved in delivering these services. You may withdraw your request for these services by calling 877-CarePath (877-227-3728). Our Privacy Policy, available at [JanssenCarePath.com/Privacy-Policy](http://JanssenCarePath.com/Privacy-Policy), governs the use of the information you provide. By providing the information and submitting this form, you indicate you read, understand, and agree to these terms.

Patient insurance benefit investigation is provided as a service by the support services administrator under contract for Janssen. In this regard, the support services administrator assists healthcare professionals in the determination of whether treatment could be covered by the applicable third-party payer based on coverage guidelines provided by the payer and patient information provided by the healthcare provider under appropriate authorization following the provider's exclusive determination of medical necessity.

Importantly, insurance verification is the ultimate responsibility of the provider. Third-party reimbursement is affected by many factors. Therefore, the support services administrator and Janssen make no representation or guarantee that full or partial insurance reimbursement or any other payment will be available. This information is provided as an information service only. While the support services administrator tries to provide correct information, it and Janssen make no representations or warranties, expressed or implied, as to the accuracy of the information. In no event shall the support services administrator, or Janssen or its employees or agents, be liable for any damages resulting from or relating to the services. All providers and other users of this information agree that they accept responsibility for the use of this service.

Janssen assumes no responsibility for, and does not guarantee the quality, scope, or availability of, the services, including but not limited to reimbursement support services, patient education, and other support services. Each provider, not Janssen, is responsible for the services it provides. These support services have no independent value to providers apart from the product and are included within the cost of the product.

## PATIENT AUTHORIZATION

My signature on the front of the Benefit Investigation Form confirms that I authorize each of my physicians, pharmacists, including any specialty pharmacy which receives my prescription for PROCRI<sup>®</sup> (epoetin alfa), and other healthcare providers (together, "Healthcare Providers") and each of my health insurers (together, "Insurers") to disclose my protected health information, including but not limited to medical records, information related to my medical condition and treatment, my health insurance coverage, my name, address, telephone number, Social Security number, insurance plan, and/or group numbers (together, "Protected Health Information") to Janssen Products, LP, its affiliated companies, agents, and representatives, including providers of alternate sources of funding for prescription drug costs, and other service providers supporting access programs for Healthcare Providers and patients (Janssen CarePath) (together, "Janssen Products, LP") for the purposes described below.

Specifically, I authorize Janssen Products, LP, to receive, use, and disclose my Protected Health Information in order to (i) enroll me in, and contact me and/or the person legally authorized to sign on my behalf, about Janssen CarePath programs; (ii) provide me and/or the person legally authorized to sign on my behalf with educational materials, information, and services related to PROCRI<sup>®</sup>; (iii) verify, investigate, assist with, and coordinate my coverage for PROCRI<sup>®</sup> with my Insurers; (iv) coordinate prescription fulfillment; and (v) assist with analyses related to the quality, efficacy, and safety of PROCRI<sup>®</sup>. Furthermore, I understand that my Protected Health Information will not be used or disclosed by Janssen Products, LP, for any other purpose unless permitted by law or unless information that specifically identifies me is removed. I understand that Janssen Products, LP, will make every effort to keep my information private. If my information is accidentally shared, federal privacy laws do not require that the person/party receiving it not disclose the information further. Information disclosed under these circumstances and provided to a third party may no longer be protected by federal privacy laws. For additional information on how Janssen Products, LP, collects, uses, and discloses personal information, visit [JanssenCarePath.com/Privacy-Policy](https://www.janssencarepath.com/privacy-policy).

I understand that I am not required to sign the front of the Benefit Investigation Form. My choice about whether to sign will not change the way my Healthcare Providers or Insurers treat me. If I refuse to sign the front of the Benefit Investigation Form, or revoke my authorization later, I understand that this means I will not be able to participate or receive assistance from Janssen CarePath.

I understand that I may cancel (revoke) this Authorization at any time by mailing a letter to Janssen CarePath, P.O. Box 220247, Charlotte, NC 28222-0247. I can also revoke my authorization by informing my Healthcare Providers and Insurers in writing that I do not want them to share any information with Janssen Products, LP, but this will not affect Janssen's ability to use and disclose Protected Health Information that it has received prior to its receipt of notification that I wish to discontinue my participation in the program. My authorization will also end if Janssen CarePath is discontinued. Furthermore, I understand that I have the right to see or copy the Protected Health Information my Healthcare Providers or Insurers have given to Janssen.
