

Affordability Options for TREMFYA™ (guselkumab)

Once your doctor has prescribed TREMFYA™, Janssen CarePath can help you find the resources you may need to help get started on your medication and stay on track. You may have options that may make your treatment more affordable.

For more information, visit [JanssenCarePath.com/Tremfya](https://www.JanssenCarePath.com/Tremfya) or call your dedicated Care Coordinator

877-CarePath (877-227-3728) | Monday – Friday | 8:00 AM – 8:00 PM ET

If you use commercial or private health insurance to pay for your medication

Eligible patients pay just \$5 per injection*

*\$20,000 maximum program benefit per calendar year. Not valid for patients using Medicare, Medicare Part D, or Medicaid. Eligibility requirements apply.

There is no income requirement.

To determine eligibility, enroll and activate, or get a savings card, visit [Tremfya.JanssenCarePathSavings.com](https://www.Tremfya.JanssenCarePathSavings.com) or call 877-CarePath (877-227-3728).

Before the calendar year ends, you will receive information and eligibility requirements for continued participation in the program.

If you use government-funded insurance such as Medicare or Medicaid, need supplemental assistance with paying for your medication, or if you have no health insurance or no coverage

JanssenPrescriptionAssistance.com provides information on affordability programs that may be available. For a comprehensive list of affordability programs, visit [JanssenPrescriptionAssistance.com/Tremfya](https://www.JanssenPrescriptionAssistance.com/Tremfya).

Other resources

Johnson & Johnson Patient Assistance Foundation, Inc. (JJPAF), provides free prescription medications to eligible individuals without insurance coverage for their medications and those who do not have adequate financial resources to pay for them. To see if you might qualify for assistance, please contact a JJPAF program specialist at 800-652-6227 (9 AM to 6 PM ET) or visit the foundation website at [JJPAF.org](https://www.JJPAF.org).

Please read the full [Prescribing Information](#) and [Medication Guide](#) for TREMFYA™, and discuss any questions you have with your doctor.
