If you use commercial or private health insurance to pay for your Janssen medication

Eligible patients pay \$5 per injection*

*\$20,000 maximum program benefit per calendar year. Not valid for patients using Medicare, Medicaid, or other government-funded healthcare programs to pay for their medications. Terms expire at the end of each calendar year and may change. There is no income requirement. See program requirements at Tremfya.JanssenCarePathSavings.com.

To determine eligibility, enroll in the savings program, and manage program benefits, you can create an online account at MyJanssenCarePath.com or call 877-CarePath (877-227-3728).

Your providers can also create an account at JanssenCarePathPortal.com to enroll eligible patients and view program benefits.

If you use government-funded healthcare programs such as Medicare, Medicaid, or need supplemental assistance with paying for your Janssen medication

Foundation support may be available:

The Assistance Fund
855-845-3663
TheAssistanceFund.org

The HealthWell Foundation
800-675-8416
HealthWellFoundation.org

Independent co-pay assistance foundations have their own rules for eligibility. We have no control over these independent foundations and can only refer you to a foundation that supports your disease state. We do not endorse any particular foundation. The foundations on this list are not the only ones that might be able to help you.

If you have no health insurance or no coverage for your Janssen medication

JanssenPrescriptionAssistance.com provides information on affordability programs that may be available. For a comprehensive list of affordability programs, visit JanssenPrescriptionAssistance.com/Tremfya.
