

Janssen Select from Janssen Pharmaceuticals, Inc., is a program for patients facing affordability challenges caused by gaps in drug insurance coverage whether they have commercial or government-funded insurance.

Eligible commercial or government-insured patients will have the option to pay \$85 per month (plus sales tax if applicable) outside of their insurance plans to have XARELTO[®] shipped directly from a dedicated pharmacy. Program requirements apply. Terms expire at the end of each calendar year and may change. There is no income requirement. See program requirements below.

Am I eligible?

- To be eligible for Janssen Select, you must:
 - Currently have prescription drug insurance covering XARELTO[®]
 - Have met an out-of-pocket cost responsibility of \$200 for XARELTO[®] in the current calendar year

Other requirements

- This program is currently only available through the mail-order pharmacy contracted through Janssen Pharmaceuticals, Inc.; it is not available at any other pharmacy or dispensary.
- You must authorize each monthly refill via text or phone call from the dedicated pharmacy.
- This program is only available for patients who are taking XARELTO[®] in accordance with the Prescribing Information. It is not valid for any prescription written with off-label dosing.
- This program is not insurance and should not take the place of insurance.
- This program offer may not be combined with any other coupon, discount, prescription savings card, free trial, or other offer. Offer good only in the United States and Puerto Rico. Void where prohibited or otherwise restricted by law. Program terms will expire at the end of each calendar year. Before the calendar year ends, you will receive information and eligibility requirements for future participation. The program is subject to change or discontinuation without notice, including in specific states.
- The \$85 monthly cost paid to this program, plus sales tax if applicable (the Cost), will not count towards your deductible or cumulative out-of-pocket spend. The Cost may not be submitted as a claim for payment to any third-party payer or pharmaceutical patient assistance foundation.
- If you choose, you may submit the Cost to a Flexible Spending Account (FSA) or a Health Savings Account (HSA). Check with your employer if the cost may be submitted to a Health Reimbursement Account (HRA).
- Before you enroll in the Janssen Select program, it is important you understand that you will be asked to provide personal information that may include your name, address, phone number, email address, and information related to your prescription insurance and treatment. This information will be used by the mail-order pharmacy for the program, in accordance with their privacy practices, to determine your eligibility, enroll you in the program, and administer the program. The information will also be used to learn more about the people who use the program and will be shared with companies supporting the program and your insurance provider, as required by law.
