If you use commercial or private health insurance to pay for your medication

Eligible patients pay $10 per fill (up to a 90-day fill), subject to program benefit limits

There is no limit to this benefit for the first 90 days, inclusive of the starter kit, and then a $200 limit for each 30-day supply thereafter. There is a $3,400 maximum program benefit per calendar year. Not valid for patients using Medicare, Medicaid, or other government-funded programs to pay for their medications. Patients who are being treated with XARELTO® 10 mg only after a recent non-surgical hospitalization or because they have undergone hip or knee replacement surgery are not eligible. Terms expire at the end of each calendar year and may change. See program requirements at Xarelto.JanssenCarePathSavings.com.

To get a Janssen CarePath Savings Program card, visit Xarelto.com or text “SAVINGS” to 27421 and once enrolled, receive an electronic Savings Program card that can be saved to your digital wallet on your iPhone or Android device.

If you use government-funded healthcare programs such as Medicare or Medicaid, or commercial or private health insurance to pay for your medication

Janssen Select

If you are being asked to pay more than $85 to fill your monthly prescription, Janssen Select may be able to help.

Janssen Select from Janssen Pharmaceuticals, Inc., is a program for patients facing affordability challenges caused by gaps in drug insurance coverage whether they have commercial or government-funded insurance.

Eligible commercial or government-insured patients will have the option to pay $85 per month, plus sales tax if applicable, outside of their insurance plans to have XARELTO® shipped directly from a dedicated pharmacy. Program requirements apply. Terms expire at the end of each calendar year and may change. There is no income requirement. See program requirements at JanssenCarePath.com/Janssen-Select.
